

Hey, Mr. President

What about:

«Removing the truth-protecting layers?»

Neill Armstrong, 1994: He was a great and sincere man!

Please, give NASA a Chance !

We do understand the contexts of the time in the late sixties!
«It is time now to clean up the lies of those days.» (A.Anderson)
You can be proud of the new NASA performances with Artemis.

Switzerland had been abused for its credibility: Remember Apollo-11 Experiment «Solar Wind» (Uni Bern)

Full documentation of the Apollo story
